*Old days, like old memories, remind us of old friends. I'm sure as each of us in years to come thinks back to our High School days, we will think of a friend who filled out absentee slips, fixed bruised knees and bruised egos, answered endless questions, collected money for this and that, was an advisor to faculty and students alike, and through many years of faithful service became indispensable. A clock is seldom noticed while it runs, but let it stop for one hour or one day and we are lost. Everyone's life in our school is at one time or another touched by this person. Like the clock we seldom recognize her until she is needed, therefore, it is with pride and pleasure that the 1979-1980 Nor'wester Staff dedicates the annual to*

## SENIOR CLASS HISTORY

The beginning of our Senior year was also the beginning of Mr. Pike's reign as High School Principal. He set the guidelines which we, as Seniors, have tried to follow.

As Freshmen, we began our first year in High School with Mike Anderson as our President, Kellis Hicks as our Vice-President, Lisa Gibbs as our Secretary, Sandy Laird as our Treasurer, Debbie Comer as our Parliamentarian, and Kim Granstaff as our Reporter-Historian. We picked as our class favorites, Kellis Hicks and Mike Anderson to represent the beginning of a new and exciting experience. For an added feature, we nominated Kellis Hicks as our Homecoming nominee and Sam Brooks as our Football Sweetheart nominee. Additionally, our basketball girls won District.

We began our Sophomore year with Kim Granstaff as our Homecoming Queen aboard the Sophomore float, "Little Red Riding Hood." To guide our class through the year, we elected Kellis Hicks as President, Jo King as Vice-President, Lisa Gibbs as Secretary, and Pam Reid as Reporter. For our favorites, we decided that Kellis Hicks and Kirk Roderick filled the position best. Our Junior Varsity girls won District.

Our Junior year was the end of simple pleasures and the beginning of hard work. We elected Chris Harvey as our President, Brenda McMahan as our Vice-President, Kim Evans as our Secretary, Joey Truitt as our Treasurer, and Terri Troxell as our Reporter. From the very first, we began selling donuts with the help of Mr. Troxell, one of our Sponsors. To further add to our income, we ran the concession stand at all basketball games with Mrs. Vick and Mr. Troxell again lending a helping hand. We were very proud of our Homecoming nominee, Terri Troxell, who was elected Homecoming Queen. She rode on our float, "The Bad News Bears." We, as Juniors, auctioned off our humility and pride to the entire Student body. Later on in the year, we presented *Hold the Phone* which was a unique Junior play. We were also proud of our Varsity Junior girls who won district but were defeated by Comanche in Bi-District. On May 12 in the Crystal Ballroom of the Fort Worth Sheraton Hotel, our Junior class honored the Senior class with an outstanding prom entitled "Summer Nights."

Our Senior class officers, Sam Brooks as President, Holly Cage as Secretary, Dana Arnold as Vice-President, and Denise Wilson as Treasurer, proved to be dedicated and hard working. To represent our class as favorites this year, we picked Holly Cage and Dan Schulter. An early Homecoming-game victory provided the stimulus for our entire Senior year. Preliminaries began with the choosing of our queen nominee, Holly Cage, who paraded as Minnie Mouse on our float "No Minnie Victories for the Texans." To make our bonfire even more excitable, Pam Reid and Deborah Kirby "borrowed" the Lake Worth city limits sign. Later on in the year, our class presented the play, *Boarding House Reach*, and the Speech class produced *Just for Kicks*. Our English class produced the Second Volume of creative writing, *Dreams, Signs, and Symbols*.

As we look back on our Senior year, we remember our basketball girls winning district and our boys winning many All-District, All-Wise County, All-Area, and Denton County honors, but the real inspiration occurred at the winning of the Bowie game as we heard our new principal utter in his unforgettable style, this speech that shall never be forgotten by anyone:

**LET IT BE KNOWN** that on the night of October 19, 1979, the invincible image of the Bowie Jackrabbits was destroyed by the **NORTHWEST TEXANS** in Texan Stadium. This image of invincibility had lasted for the entire thirty years that Northwest has existed.

**LET IT BE KNOWN FROM THIS DAY FORWARD: WE, THE NORTHWEST TEXANS, REFUSE TO BE INTIMIDATED BY ANYONE!**

I have never seen more intensity and determination displayed by a Northwest Texan team than was displayed by this group of young men Friday night. To them, we all say, **THANK YOU.**

We would also like to serve a warning to Decatur, Bridgeport, Whitesboro and Jacksboro: **LOOK OUT** because **YOU**, like Bowie, must **TRAVEL THAT ROAD OF DEFEAT AT THE HANDS OF THE TEXANS.**

In the spirit of Mr. Pike's words, we serve notice as the Senior Class of 1980: Look out world, for we intend to travel that road of success.

— C.B.

## *Announcing the Retirement of J. W. Price*

J. W. Price  
Agriculture

Mr. Price's teaching career has spanned thirty-two years, twenty of those years were spent teaching ag classes at Northwest. He has a bachelor's degree from A.&M. and a master's degree from E.T.S.U. Before coming to Northwest, Mr. Price taught four years at Kaufman, two years at Chico, and six years at Poolville.

While at Northwest, he has been a sponsor of the Future Farmers of America, helping students prepare ag projects for competition and prizes.

Mr. Price and his wife, Ruby, live in Roanoke. All his children have graduated from Northwest. His daughter, Ann and her husband Bobby Tidwell, manage the White's Auto Store in Grapevine. Nelda has followed in her dad's footsteps to become a teacher of home economics. His son, Keith, has also continued his education at A.&M. then attended Southwestern Theological Seminary to become a Baptist minister.

It will be hard to replace a man who has given twenty years of his skill, time, and heart to our school. We want to thank you for being here and caring about all those kids that went through ag I and II,

"Take care and come back to see us . . ."

## *Student Council*

The student council had many projects this year which were assigned to special committees: Service Committee, Safety Committee, Alcohol Committee, and Fund-Raising Committee.

The officers went to a District Fall Convention at Haltom City. A few qualifying members went with the officers to a District Spring Convention.

Some of the goals for the year included encouraging student participation in school activities, working with the students and faculty on problems and projects, promoting citizenship and developing school spirit, pride, and morale.

# National Honor Society

*The National Honor Society is made up of honor students chosen by faculty members. A certain grade average and conduct standards must be met in order to maintain this select membership. This year, members were involved as aids for teachers in the annual slave sale, secret pals, and fund raisers. The money raised will go for a \$100 scholarship.*

# Thespian Club

*The Thespian Club performed a 1 act play at UIL competition March 24th and 25th. The play was entitled "A Piece of Steak". A performance was also given to the Junior and Senior high school and the public. Another play was given earlier in the year. It was "Double Date". Members attended workshops to learn more about the field of drama. One workshop was at Tyler Junior College, the other was at Stephen F. Austin. In order that students might better understand the profession, they attended 2 plays during the school year.*
